First Games Next Week

Wheatbelt Minor Baseball Starts Soon

The Little League and Babe Ruth groups met in Champion over the Easter holidays. Representatives were from Carmangay, Champion and Milo. Mossleigh and Vulcan were missing.

Both Little League and Babe Ruth will operate this year. The L.L. teams are from Carmangay, Champion, two from Vulcan and Mossleigh. The B.R. will have teams in Carmangay, Champion, Vulcan, Mossleigh and Milo. Opening games for both leagues will be in the first full week in May. L.L. games are to be six innings and the B.R. seven innings.

From the meeting Glen Rhodes was returned as president and Gordon Prusky, as secretary-treasurer. This will be their fifth year at those executive positions. It was difficult to get a president from another area because of the lack of appropriate people.

The winners in late June will receive crests this year as in previous years. Because of the difficulty and the time consumed in making a tight decision the president and others felt these should be a commissioner. Ray Wellman, who has acted so capably in this capacity in previous years, will add this to his duties beyond his publicity job.

Each team represented is sponsored by the Lions Club of the town concerned. A \$25 fee will be assessed each team for operating expenses. The Lions pay this fee. Highlights and score cards of the home team are to be sent to Ray Wellman or Gordon Prusky. This it was felt should help the publicity chairman greatly.

Eligibility—
For L.L. any boy who doesn't become 14 before Sept. 1 1962 will be eligible but a team normally has five 11-year-olds, five 12-year-olds and five 13-year-olds to complete its roster. These rosters are to be sent to the president before the third game.

For B.R. any boy may play who doesn't become 17 before Sept. 1, 1962. Normally the team consists of five 14-year-olds, five 15-year-olds and five 16-year-olds, to complete their roster.

Playoffs—
The first team in the standing plays the third team. The second plays the fourth. The series will be the best two out of three games.

Parental Support—
It is hoped that each team get more support from their town. Most all boys play their hardest and it would be appreciated if the parents could turn out for the home games plus any other ones. L.L. games start at 5:00 p.m. and the B.R. games start at 6:15 p.m.

Umpires—
Home teams will supply the plate umpire and the travelling team will supply the base umpire. If at all possible adults should handle the umpiring.

Some of the Rules—

1. The rosters must be in and

complete by the third game.

2. Pitching:—
(a) L.L. pitchers may pitch only 6 innings a week. B.R. only 7.
(b) In playoffs or in a week that three games are played L.L. may pitch 9 innings and B.R. 11 innings.

It was wisely suggested to players, coaches and parents that these limits are not disregarded.

3. Helmets must be worn by all players all around the bases. This applies to both L.L. and B.R.

4. Swearing will not be tolerated.

5. A four-inning game in L.L. shall be considered a complete game; a five-inning game in B.R.

6. All other rules are the same as the professionals.

E. M. Benson, Lomond Pioneer, Dies At Calgary

An old-timer of the Lomond district, Elvin Marvin Benson, passed away in the Calgary General Hospital after a lengthy illness. He was born in Appleton, Minn., on Jan. 22, 1891, home-stayed in the Lomond district in 1909 and resided there until retiring to Calgary in 1948.

First and foremost a farmer, Mr. Benson was active in all organizations for the betterment of the community. In early years, he helped organize the first school district here, Rolling Prairie; for a short while managed a store at his farm home so that people need not travel to Reid Hill for the necessities; played baseball with the Brunetta Ball Club; and saw with joy the railway come to Carmangay which was so much closer than Nanton.

As time moved on, Mr. Benson helped form the Consolidated School District in Lomond, worked on the school board, and was an active participant in such organizations as the United Grain Growers, the United Farmers of Alberta, the Alberta Wheat Pool, the Old-timers Association and the Oddfellows Lodge. He earned an Award of Merit for 20 years of service as Dominion Experimental Farm Operator on his farm two miles west of Lomond. Mr. Benson continued his interest in farming and farm conditions, and in sports of all types to the end of his life.

He leaves to mourn his passing his wife, Dolly; two daughters, Mrs. H. M. (Ruby) Caulfield, Lomond and Mrs. W. (Lorraine) Welch of Calgary; three sons, Leonard, Lomond; Lloyd and Wayne, Calgary; 13 grandchildren and seven great grandchildren. He also leaves two sisters, Mrs. Josie Christianson and Mrs. Josie Jensen and three brothers, John, Helmer, Alfred, all of the United States; one brother, Dewey of Vancouver.

time through accident record achieved in 1961. Along the head table from left to right are Harry Stoddard, Calgary Power Assistant agent for Vulcan; Wally Franks, Field Supervisor for Calgary; south; W. A. King, Operating

Superintendent, FESL; Dave Curwen, Construction Supervisor, FESL; Herman Rasmussen, Personnel Supervisor, FESL; Henry Bradley, Safety Supervisor, Calgary Power Ltd. Howie Klippert, local Calgary Power agent.

Public Favors Idea

Survey Indicates Support For Artificial Ice Project

The consensus of opinion as a result of the recent district survey on the prospects of artificial ice for Vulcan has yielded encouraging results, according to reports read at the April 24 meeting of the Vulcan & District Artificial Ice Commission.

Five members undertook the survey which was aimed at testing public reaction to the possibility of installing artificial ice and to get some idea how much financial backing might be indicated.

Reaction ran from 80% percent favorable to completely favorable with certain limitations. Possible contributions ranged from donations of \$25 up to \$100 plus offers of assistance labor-wise.

The Commission felt, after discussion of the reports, that if a subsidy of about one-third of the cost could be obtained through the federal and provincial governments, there was a good possibility of raising the balance by public subscription and other money-making schemes. Government

authorities are being contacted in regard to the subsidy question. Information will also be sought with regard to possible assistance through the Winter Works Program.

In the meantime a raffle will be started this spring on a draw for a pony. This is a quarter-horse donated by Morley Scobie, a member of the Commission and winter-time coach of one of the junior hockey clubs. Another coach, Harry Stoddard, is the second man on the draw committee.

Passes Swimming Tests At Calgary

Marilyn Hansen, 18-year-old daughter of Mr. and Mrs. Harold Hansen of Ensign, recently took tests at the YWCA in Calgary for her Red Cross Safety Swimming Instructors Certificate and passed successfully.

She now has a bar to add to her bronze medal previously achieved. She was judged "A" in all her strokes and topped a class of over 30 with her swimming.

She was on staff at the local swimming pool last summer.

Carson Horne and Gary Kennedy also took similar examinations in Calgary.

Carnegie Course Plans Graduation

The 13th session of the Dale Carnegie Course was held Monday evening with 36 members and three guests from Calgary present.

The Champion Prepared Speeches for the entire course were given, with honors going to Leslie Lucas for her talk on "Race Discrimination."

It was also "Conference Night" with several appropriate problems being discussed, resulting in proposed solution by the various groups.

Class president Pat Walker and entertainment chairman, Skeez Christensen outlined the plans for the graduation. It was decided to hold the exercises complete with a banquet immediately after the final session next week.

We always called a spade a spade until we hit our foot with one the other day.

Contracts Let For Highway 23 Work

Contracts have been let for the base course on the remaining 16 miles of gravel on Highway 23 and for the asphalt surface course on the 10 miles of base course completed last year on Highway 23, according to announcements made last week by the Department of Highways and released to the Advocate through the Hon. Rev. Peter Dawson, MLA for Little Bow.

Contract for the soil-cement base course from south of Blackie to the junction with Highway 24, a distance of approximately 16 miles, has been let to W. C. Wells Construction Co. Ltd., of Edmonton, in the amount of \$301,961.

Seven other tenders were received, as follows: Standard Gravel and Surfacing Ltd., \$320,647; New West Construction, Edmonton, \$322,399; Peter Klewit Sons Co., Edmonton, \$322,917; Namczysz Construction, Edmonton, \$325,137; Poole Engineering, Edmonton, \$331,701; Gallelli & Sons, Calgary, \$335,681; Mannix Co. Ltd., Calgary, \$338,265.

The contract for asphaltic plant mix surface course on Highway 23 from south of Blackie to the junction with Highway 2, a distance of approximately 10 miles, and on Highway 2 from Parkland to Sta-

vely, approximately eight miles, has been let to Evans Construction Co. Ltd. of Red Deer at a cost of \$182,407.

Nine other tenders were received on this project as follows: United Sand & Gravel, Lethbridge, \$183,508; Gallelli & Sons, Calgary, \$183,629; Standard Gravel and Surfacing, Calgary, \$201,840; Radon Paving Ltd., Edmonton, \$204,519; W. C. Wells Construction, Edmonton, \$205,082; Mannix Co., Calgary, \$211,332; Fleming McKay Construction, Red Deer, \$217,083; Poole Engineering, Edmonton, \$223,618; Peter Klewit Sons Ltd., Edmonton, \$235,024.

Weather Too Dry — Moisture Needed

A good, soaking rain could quickly change the picture, but April has been a dry month and farmers are concerned about the lack of sufficient moisture to start the crop.

Seeding is expected to be fairly general within the next week, although soil drifting is a problem in some areas.

Awards Presented For Safety Record

Awards for no lost time through accidents during 1961 were given out at a banquet and safety meeting honoring Farm Electric Services Ltd. crews on Thursday, April 19.

The crews, working south of Calgary under field supervisor Wally Franks, went from January 1st to December 31, 1961 without any time lost due to accidents. This is considered quite outstanding in view of the high accident risk in the type of work done by the men.

Farm Electric officials conducted morning safety meetings in the Legion and the banquet was held in the Vulcan Hotel Dining Room.

Calgary Power Ltd., and its subsidiary company Farm Electric Services Ltd., are broken down into 22 safety groups, each containing about 30 men. Eleven groups have one year safety awards for no lost work hours. Forty-eight employees have safety records stretching back over 25 years service and Henry Bradley, Safety Supervisor for both companies has the maximum safety record obtainable, 26 years.

Crews being honored at the banquet were given their individual yearly safety buttons and an additional award of a pen and pencil set for their special achievement.

Serving on FESL from Vulcan are Noel Docherty, Dave Blair and Field Supervisor Wally Franks.

Carmangay Curlers

Five notables in the Carmangay Curling Association are seen above during the Curling Dance which followed the wind-up banquet earlier last Wednesday evening. Seated from left to right are Mickey Moore, skip of the winning rink in the square draw, and

the new ladies' president, Marie Green. Standing are Delmar Green, past president; Rudy Hubka, 1962 president, and Gordon Prusky, skip of the winning rink in the men's square draw. Missing from the picture is Irene Durrell, past president of the ladies' association.

Stavely Man Wins Annual Carmangay Curlers Draw

Tommy Eskeland of Stavely, a former Carmangay resident, was the winner of a 1962 car or \$2,500 in cash at the annual banquet and vice-president, Clarence Green; dance of the Carmangay "500" Curling Club on April 25. Tommy took the money and traded in his old car on a 1962 Mercury.

The Carmangay "500" Club is one of the oldest car draws in Southern Alberta, having been held annually for the past eight years. This year, because of heavy expenses with the artificial ice plant, men curlers were required to purchase two \$10 tickets, although one ticket still covered membership for ladies and students.

Curling club membership is not limited to Carmangay residents and many out-of-town members have been winners of the car draw in past years. Winner in 1955 was Mrs. Arne Dahl, Carmangay; 1956, Steve Bessaw, Carmangay; 1957, Joan Cutforth, Barons; 1958, Florence McLeod, Carmangay; 1959, Ken Ross, Edmonton; 1960, Ray Boyd, Lethbridge; 1961, John McDennell, Lethbridge.

Officers Elected
Members of the men's executive for the coming year were elected as follows: Past president, Delmar Green; president, Rudy Hubka; vice-president, Clarence Green; directors, Amos Lacro (east), Dor-Curling Club on April 25. Tommy took the money and traded in his old car on a 1962 Mercury.

Officers for the ladies' section of the club are: Past president, Irene Durrell; president, Marie Green; vice-president, LeVina Roommele; secretary-treasurer, Mrs. Hunt.

Competition Winners
Trophies were presented to the winners of the competitions held during the season. Men's square draw winner was the Gordon Prusky rink, which had Leon Coe as third, Eldon Neely as second and Carl Paulson as lead.

The Mickey Moore rink won the ladies' square draw. Other members of the rink were Beulah Hubka, third; Joan Zeiler, second, and Gertie Green, lead.

The mixed draw winner was the Bud Moore rink, with Allan Soderquist as skip, Mickey Moore, third; Bud Moore, second and Greta Soderquist, lead.

Five Generations

Representing five generations of the one family and all living within 12 miles of each other — at Ensign, Vulcan or in between the two places — are Mrs. George Flebotte, Mrs. Bill Brown, Mrs. Bert Larson, Mrs. Boyd Chartrand and Baby Chartrand.

At all clinics, Polio Vaccination will be given to all persons wishing it.

— ADULT POLIO BOOSTERS —

All adults who received the first three injections of poliomyelitis vaccine prior to and during the year 1958 are now due for their booster injection. These may be had free of charge at any of our Well Baby Clinics.

These well-baby clinics are held for the purpose of weighing and measuring infants and toddlers, and discussing any problems with parents regarding feeding, training and general care. Your child should be immunized at the following times: Starting at three months of age, a series of four doses, three at monthly intervals and the fourth, six months later, of the combined vaccine containing diphtheria, whooping cough, tetanus and polio (D.P.T. Polio). A booster dose of the above vaccine should be given at three years of age. A further booster, Diphtheria, Tetanus and Polio (D.T. Polio) should be given prior to school entrance.

Smallpox vaccination should be started any time after three months of age and before the child is one year old with revaccination taking place every fifth year thereafter. There is no charge at these clinics which are a service of the Foothills Health Unit.

Assisting in the ceremony were Miss L. Newman, matron of the hospital, Dr. John Lloyd, Dr. Morley Hodgson, members of the medical board; Regis Morkin, chairman of the Auxiliary Hospital Board.

Arrowwood News

The 4-H Calf Club toured all the farms where 4-H calves are being raised, numbering 20 in all on Monday. Parents and leaders were along. The tour got under way at the Post farm and ended at the Selley farm, with lunch being served in between at the Wyatt ranch. An enjoyable time was had by all.

On Tuesday the 4-H Calf Club motored to Calgary for a tour. The first stop was at Broadcast house, CFBN in the morning, and a shopping spree followed at Simpson-Sears. Following this they were taken on a very interesting tour through the police station, which was enjoyed by all.

The Booster Club held their regular meeting on Tuesday night at the home of Mrs. Paulette Cochrane. It was voted to serve the lunch at the Phillips auction sale coming up shortly. Enough money has been contributed and raised for the purchase of the steam table for the hall. Following the meeting, Mrs. Cochrane and Mrs. Myrtle Williams served a lovely lunch.

Mr. and Mrs. Glen King and family of Redcliff were weekend visitors at the Lorne King home over the weekend.

Mr. and Mrs. L. Irwin and family of Red Deer were renewing acquaintances in this district during the week.

Mrs. Hank Walsh and family spent the week visiting friends and relatives at Etzikon and Foremost.

Mrs. J. Brosz attended a EUB Convention for missionary women held in Yorkton, Sask., last week.

Miss Ruth Mattucks of Ponoka, spent the past weekend visiting at the home of Donna Williams.

The Leigh Williams, Bert Setters, Bob Seelys, and Stu Hayes were Saturday night guests at the Frank Wyatt home.

John and Joanne Geals of Calgary spent the week visiting at the home of Mr. and Mrs. Alan Geals. Mrs. Chris Sheets of Port Coquitlam and Mrs. Frances Crawford and Mrs. Myrtle Goosen, both of New Westminster, B.C., spent a few days visiting with Mr. and Mrs. Arnold Post. While here they attended the funeral of a relative at Sundre.

Fourteen ladies from the Church of the Brethren Ladies Aid motored to Irricana on Wednesday to attend a Women's Work Rally being held there. An enjoyable time was reported by those attending.

Robbie and Brent Newby of Calgary, spent the week visiting with their grandparents, Mr. and Mrs. R. E. Hill.

Barbara Zahursky spent the week in Calgary as a guest of her aunt, Mrs. Bob Laing.

Mr. and Mrs. Richard Kitcher and family were Sunday visitors at the home of Mr. and Mrs. Mervin Norton.

Miss Rose Norton of Calgary spent the Easter holidays visiting with her parents here.

Miss Annette Siracky of Clive spent the past week visiting at her home here.

The Hi-C Group of the Gleichen, Arrowwood and Cluny parishes, took charge of services from the United Churches on Sunday. Lorne Mullen opened the morning worship services, and gave those present a talk on Hi-C, its purposes and aims. Jack Williams read the scriptures, and Misses Sandra Goldsmith and Beverly Nicholas sang two vocal duets, accompanied by organist Mrs. Elias Hayes, which were both much enjoyed.

Miss Lois Zahursky told the Sunday School their morning worship story. Don Fraser then bought the morning worship to a close.

U.C.W. MEETING

The local United Church Women's Group met for their regular meeting in the church on Thursday with 10 members and two visitors present. The meeting opened with the reading of the motto, following this Mrs. Bert Williams took charge of devotions.

Mrs. Margaret Talbot gave a report on the used clothing drive that was just completed. It was decided to serve at the reception after Sharon House's wedding in May. A committee to plan a shower for Sharon was volunteered. Hobo teas are again underway. Mrs. Hayes then played a few numbers on the organ, showing the different keys the organ can be used at, which was very much enjoyed.

Lunch was served by hostesses Mrs. Bert Williams and Mrs. Geals.

The next meeting will be at the home of Mrs. Myrtle Williams in May.

PIONEER'S 94th BIRTHDAY

An old-timer of the Arrowwood district, Amos Ingraham, celebrated his 94th birthday when his wife and family held open house for him on Thursday, April 25.

Mr. Ingraham came to Calgary in 1908 from Boston and later moved to Gleichen. He purchased land in the Arrowwood district from the Indian Dept. in 1911 and farmed the same until his retirement a few years ago.

He was a master carpenter and his services were in great demand as more and more settlers moved into the district. He built most of the large ranch and farm homes in the area, many schools and other public buildings. While engaged in carpentering his family resided in Gleichen and he walked from Arrowwood to Gleichen on Saturday nights and back again on Sunday nights — a fair hike!

The tea table was centered with a beautiful cake decorated with fresh spring flowers and 94 candles. A neighbor, Mrs. Dayton Williams, made the cake as her birthday gift for Mr. Ingraham.

During the afternoon and evening many of the old-timers and neighbors called to wish him well. After the birthday celebration Mr. Ingraham returned to Bethany Hospital in Calgary for further care and treatment. His son Boyden looks after his farm and two daughters, Mrs. Dwight Richards and Mrs. R. Beacom, reside in the district; a third daughter, Verna (Mrs. Woodard) lives in Florida, U.S.A.

Mr. and Mrs. Geo. Dingwall and Rea were business visitors in Calgary on Thursday.

Mrs. C. Robertson of High River was a weekend guest at the home of Rea Dingwall.

Mr. and Mrs. Earl Carruthers accompanied Mr. and Mrs. Alfred Uily to the Raven Show in Lethbridge last Friday night.

Mr. and Mrs. Alan Wylie were Lethbridge visitors on Saturday. Misses Connie Schmidt and Jean Wylie accompanied them home, after spending the Easter week at the home of Mr. and Mrs. Arden Ross.

Mr. and Mrs. Bob Hutton and girls and Mrs. Salter were Turner Valley visitors on Sunday.

Clarence Dmytar of New Dale, Man., is visiting at the home of his son Dave Dmytar for a few days.

Mr. and Mrs. Gibson and Dorothy Brien of Calgary were Sunday visitors at the Andrews home.

Mr. and Mrs. Clarence Brown and boys were fishing west of Nanton on Sunday.

Mrs. Merle Smith accompanied her mother, Mrs. Pickard to Lethbridge on Tuesday from where Mrs. Pickard left for her home after spending several weeks with her son and daughter-in-law.

Mrs. Ross Clark is presently a patient in the Vulcan Hospital.

"KNOW ALBERTA" float—The float again will be made available without cost by the Government of Alberta's Industrial Development Department to Fairs and Sports Day parades held by various communities throughout Alberta. This is the fourth year such a float has been made available and demands for its participation in the various provincial events has risen each year. Last year, the float travelled 7,200 miles, visiting

32 different communities between May and September. Theme of the float, as portrayed above, will encourage Albertans to enjoy their own holiday resort opportunities rather than going further afield. Bertie the Beaver, the symbol of the Alberta Forest Protection Branch, is part of the design with the implied suggestion to holidaymakers to protect from fire their forest areas. Applications for the float's appearance may be made

in writing to the Director of Publicity, Department of Industry and Development, Highways Building, Edmonton. The float will be programmed on its tour on the basis of sequence of applications.

— LAST WEEK'S MARKET REPORT —

FRIDAY, APRIL 27th— BEEF and FEEDER CATTLE SALE— Last week we mentioned that our market was second to none and anyone who had doubts should have been in attendance on Friday. Our best steers sold for \$24.30 and these would have been higher had they been a straight carload lot. Heifers sold to a top of \$22.80. While a truckload of good 1000-lb. well finished cows from Mrs. Muriel Noble of High River brought the splendid price of \$19.30.

Good to near choice butcher steers \$23 to \$24.30; Medium to good butcher steers \$20 to \$22.50; Good to choice butcher heifers \$21 to \$22.80; Medium to good butcher heifers \$19 to \$21; Top quality cows \$17 to \$19.30; Medium to good cows \$14 to \$17; Strong canners and cutters \$12 to \$14; Other cows \$5 to \$11 or subject to kill; Good sausage bulls \$15 to \$17; Common and fat bulls lower.

Our feeder and stock cow market was keen with Stew Cameron of Turner Valley selling a load of Angus Yearling Heifers at \$23.50. The steer end of these cattle sold at \$25.20. Please remember that quality, weight and conditions are the factors that determine prices.

Good to choice feeder steers \$23 to \$25.50. Medium to good feeder steers \$19.50 to \$22.50; Good to choice feeder heifers \$20 to \$23.50; Medium to good feeder heifers \$17 to \$20. Stock cows with calves at foot sold at \$160 to \$205.00.

SATURDAY, APRIL 28— PIG and MILK COW SALE— Nearly 600 pigs were sold with good prices. Weaner pigs \$5.50 to \$9.00; Feeder pigs \$9.50 to \$22; Piggy sows \$36 to \$75.00; Boars \$15 to \$50.

Baby calves \$25 to \$53. Milk Cows — only one on offer. A big, good looking, young holstein due to freshen within the week sold for \$265.00. This shows what quality and a little time can do. The owner had cleaned this cow 'till she shone like a "Nigger's heel" and it really paid off. People don't like dirty milk cows.

FRIDAY, MAY 4th, at 1:30 p.m.—

Regular Beef and Feeder Cattle Sale. Bring your
feeder cattle to us on Fridays. We have the buyers.

A new mid power-hoe introduced by a British company, can greatly increase the productivity of man and machine on the farm. A combination of the mid power-hoe and a new weeder frame, both shown in this picture, mounted on one tractor and controlled by one man, can efficiently do work that

normally calls for two tractors and three men.

The hoe, mounted forward of the tractor's driving wheels, is controlled by a hydraulic ram which not only raises and lowers the tool arm, but which also forces the hoe into the strongest land.

REVVY FENCE DESIGNS

A good "Revv" fence has many values — it'll give you protection and beauty. But it can do other things for you too. Your "Revv" fence can add dignity to your property and pride of ownership by clearly marking what is yours and what is not. It can keep children and pets in or out, as the

case may be. Most important, it gives you privacy. Today, privacy means you should be able to have your home and yard to yourself day or night. You should be able to putter around the garden, soaking up the sunshine without distracting a neighbor. Come in and inspect our many fence styles and select one to suit your home.

If you wish something special for the outdoor living area, ask to see our booklet—

Brewing and Malting Barley Research Institute appointment

Dr. Bernard B. Elliott, B.Sc., M.Sc., Ph.D., has been appointed Director of the Brewing and Malting Barley Research Institute, in Winnipeg.

The Institute, which is a joint project of the brewing and malting industries, carries out research on the suitability of new barley strains for malting and brewing. It works closely with agencies of the federal and provincial governments, and through a system of grants encourages research by the agricultural faculties of universities into the development of new and better types of barley.

Dr. Elliott, a native of Ottawa, is a graduate of Macdonald College in plant physiology. He received his Bachelor of Science degree there in 1949, and in 1950 a M.Sc., in enzymology.

In 1952 a Doctorate of Philosophy in biochemistry was conferred on him by Purdue University. Before taking up his new appointment he was Assistant Director of Research and Development of the Froedter Malt Corporation's Research Laboratory and pilot brewing plant in Milwaukee. During World War II, from 1940 to 1945, he served with the R.C.A.F. in the European theatre of operations.

"Barley today is one of Canada's most important crops, both for farm use and in industry," Dr. Elliott said. "Canadian barley enjoys the highest possible reputation in international markets, earning healthy amounts of foreign exchange for this country. I was particularly pleased to join the

DR. BERNARD B. ELLIOTT, B.Sc., M.Sc., Ph.D., has been named Director of the Brewing and Malting Barley Research Institute, Winnipeg. The Institute which Dr. Elliott heads does research on the development and use of new Canadian barley types. It is sponsored by the brewing and malting industries.

Brewing and Malting Barley Research Institute because it is one of the best examples of what can be accomplished when industry, government and the universities work together on a project.

Malt, the chief ingredient in beer, is made from high quality barley. Each year the brewing industry in Canada uses more than 10,000,000 bushels, which means \$13,000,000 to the farmers.

THEY HAVE SAVED THEMSELVES ANOTHER \$2,511,000.
BY DELIVERING TO THEIR OWN POOL ELEVATORS

Pool agents are now distributing patronage dividend cheques on 1960-61 deliveries. This dividend, made possible by the loyal support of the Pool's farmer-owned facilities, totals:

Wheat and flax 5.24c per bushel*

Oats, barley, rye, rapeseed 2.62c per bushel*

*About one-quarter of the dividends is being paid out in cash, and the balance in reserves.

On 1960-61 deliveries, this dividend has meant an extra—

\$ 10.48 for every 200-bushel load of wheat

\$209.60 for every 4,000 bushels of wheat

Since joining together to form their own marketing co-operative, Alberta Wheat Pool members have made direct savings through patronage dividends amounting to nearly \$30,900,000.

FEW FARMERS CAN AFFORD TO PASS UP SAVINGS SUCH AS THESE

This year, join the thousands of forward-looking farmers who deliver to the Pool. Be an Alberta Wheat Pool member and reap the benefits of marketing your grain co-operatively.

Stiffer Penalties Needed

It would appear that immediate steps must be taken to curb the attacks on policemen, which seem to be occurring with increasing regularity. During the past week another Edmonton policeman, while performing his duty, was attacked by two young men. This is the third such crime in the Alberta capital the past month or two.

Sentences meted out by magistrates obviously have not been stiff enough, for had the penalty been sufficient following the first offence — say a three to five year jail term — it is quite possible that the second and third offences never would have occurred. Certainly, Edmonton Magistrate Legg is correct in refusing to accept the excuse of drunkenness recently. Incidentally, what has happened to our public morality? Drunkenness used to be considered an offence — not an explanation.

There seems to be a growing resentment toward officers of the law. They are, after all, carrying out the laws which are made up and approved by every citizen, for every community or province, or the country as a whole. It is therefore the duty of every citizen in this country to assist police officers whenever possible. Certainly, without the co-operation of John Q. Citizen, very few offenders can be brought to justice, and just as surely as the public becomes reluctant to give policemen the assistance they require, crime — whether on a large, organized scale or petty thievery — will flourish.

TRAVERS

Mr. and Mrs. Gordon George and family returned home from a three-week holiday. They attended an LDS Conference in Salt Lake City and visited various points in Alberta and Saskatchewan.

Mrs. Joe Haas and son Delbert Toltsdorf returned home after visiting relatives and friends for several months in the United States. Mrs. Haas spent most of the time in Perry, Okl. She reported visiting Mrs. Belle King in Kingfisher, Okl. Mrs. King is a former well-known resident of the Travers district.

Mr. and Mrs. Pete Crosby and family of Calgary spent several days visiting at the John Zuba home.

Mr. and Mrs. Jim George and family of Consort, Alta., spent part of the holidays visiting at the home of Mr. and Mrs. Gordon George.

Rita Watson has returned to school at Midnapore after spending the holidays at her home.

HAPPY HOURS W.I.

The April meeting of the Travers Happy Hours W.I. took place in the WI club house the last Wednesday of the month. President Mrs. Gordon George presided and Mrs. Ian Steeves acted as secretary in the absence of Mrs. John Toltsdorf. Roll call was answered with a home-made Easter bonnet.

Plans were made for the Constituency Conference to be held on May 29. Other branches are to be notified what to bring for the luncheon. Mrs. M. G. Roberts, Provincial AWI president and Mrs. Carl Alexander, District 5 director, are planning to be present.

The program was arranged for the bridal shower for Shirley Steeves and Raymond Croteau. This is sponsored by the Happy Hours W.I. The delegate to the District Conference, Mrs. C. Christianson was unable to be present so the report is to be given at the May meeting. Lunch hostesses were Mrs. Frank Toltsdorf and

Mrs. W. A. Watson. Mrs. George Dunsmore won the raffle.

Hostesses for May will be Mrs. George Dunsmore and Mrs. Eric Peterson. Roll call will be "Tell An Experience of Your Ancestors."

SHIRLEY STEEVES HONORED
A capacity crowd gathered in the Travers Community Hall for a social and shower to honor Shirley Steeves and Raymond Croteau whose wedding will take place in St. Clare's Church, Hays, on May 5.

Raymond is employed at Medicine Hat and was unable to attend. Rita Watson was M.C. for the hour and a quarter program. The highlight of the entertainment was a fashion show. The earliest dresses modelled were 1910. At the last was a fashion parade of bridal gowns alone. There were six of these covering a 50-year period from 1910 to 1960. Those modeling dresses were Mrs. Floyd Hogg, Mrs. Frank Toltsdorf, Mrs. Al Lomas, Mrs. Doug Walker, Mrs. Eric Peterson, Dona Root, Terry Watson and Dorothy Snopek. Allan McLeod supplied the background music as the years suggest, on the piano accordion, playing tunes of yesteryear to suit the occasion. Rita Watson gave the commentary.

Vocal and musical renditions throughout the program were given by Donald Zuba, Dorothy and Ernest Snopek, Allan McLeod and Conrad Miekelsen. Mickey McLeod did a tap dance number and Aleah Steeves recited a poem.

Little Myrna and Cathy Watson demonstrated their version of the "Twist." Comedy numbers were given by Dona Root and Terry Watson. Rita Watson did a pantomime especially for the bride-to-be. The program concluded with Mrs. Eileen Thurlow of Taber singing, "I Love You Truly." She accompanied herself on the piano.

Following the program Shirley opened the numerous gifts, assisted by Maxine Haas. Decorations of the shower table were blue and white. The bride-elect thanked everyone for the gifts as well as for the entertainment.

IN MEMORIAM

NEVILLE— In loving memory of our dear wife and mother, Velma, who passed away May 7, 1961.

In tears we saw you sinking,
We watched you fade away.
Our hearts were almost broken
You fought so hard to stay.
But when we saw you sleeping,
So peaceful, free from pain,
We could not wish you back,
To suffer that again.

Sadly missed by her husband and family, Vulcan. 39-1p

CONNOLLY— In loving memory of a beloved husband and father who passed away May 3, 1960.

They say time heals all sorrows and helps us to forget,
But time so far has only proved how much we miss him yet.
God gave us strength to take it and courage to take the blow,
But what it meant to lose him,
No one will ever know.

—Always remembered and sadly missed by his wife, Jean and children. 39-1p

NEVILLE— In loving memory of Velma, who passed away May 7, 1961.

Behind our smiles, there's many a tear,
For the one we lost and loved so dear,
We loved her, yes, we always will,
Her vacant place no one can fill.

—Ever remembered and sadly missed. Vera, Mont, Russell and Gloria. 39-1x

FWUA Spring Conference Held At Arrowwood

Over 100 ladies, representing 13 locals from District 12 FWUA met recently to hold their spring conference at Arrowwood. Mrs. Fred Huddleston, Pincher Creek, District 12 FWUA Director, and sub-directors Mrs. Frank Marr of Pincher Creek and Mrs. Archie Hogg of High River, acted as chairwomen for the day. Mrs. R. Bower of Pincher Creek was secretary.

The ladies were welcomed by Mrs. Leigh Williams to Arrowwood. Morning thoughts were brought by the Rev. Dickie of the United Church at Gleichen. Eleven locals with Mrs. F. House as moderator, took part in a panel discussion which brought out many interesting points and some problems. Several resolutions were brought before the conference and all were passed to be sent along to the District Convention in June.

Mrs. A. Parslow, secretary-treasurer of District 12, FWUA reported that over \$1,000 had been sent to the Gold Eye Lake Jr. Camp Project. The juniors need help immediately however, if they are to finish this worthwhile project.

During the luncheon hour Miss Carol King of Arrowwood was introduced as FWUA candidate for the Jr. Queen. Mrs. J. Hallum of Sedwick, 2nd vice-president for the Provincial FWUA spoke on the work of the FWUA with Mental Health Association; also on the affiliation with the ACWW.

Little Miss Margaret Ward entertained with two tap dances and Douglas Woodman accompanied himself on the accordion as he sang two solos.

At the afternoon session guest speakers were Mr. and Mrs. Alex Munro of Calgary and Mr. Jacob of Pincher Creek. Mrs. Munro spoke on the planting of lawns and named the varieties of flowers, plants and shrubs or trees which are suitable for our district. Mr. Munro, who was formerly Parks Superintendent of Calgary, ably answered the many questions asked him. Mr. Jacob is principal of the elementary school, Pincher Creek, spoke on the new mathematics course being taught in some grades, and which is soon to be accepted in all the grades. Gifts of appreciation were presented to all the guest speakers.

SERVICE BOARD NOTES

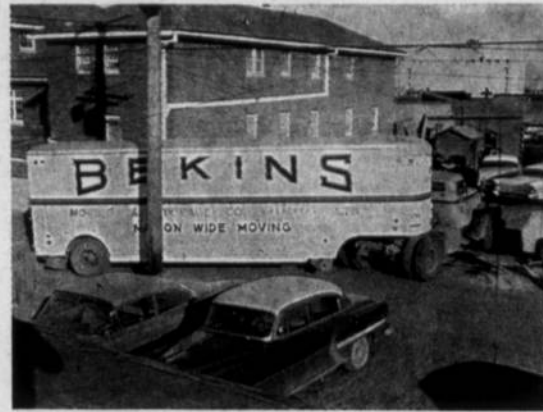

Norman Soder

The grasshopper forecast for the County of Vulcan No. 2, which was first based on a count of adult grasshoppers, showed an expected heavy infestation in this area for 1962. Later, when an egg count was taken, the forecast, was reduced to a moderate infestation for all of the County except the North East portion, which is expected to have a light infestation. The reduction in the grasshopper population, last fall, was attributed to the presence of a Black Fly.

The warm dry conditions, which are prevailing this spring, similar to the conditions that prevailed last year, promote the hatching of grasshoppers. If they continue, farmers are warned to keep a constant watch for young grasshoppers, and start control early.

Dieldrin will be available for grasshopper control on cereal crops or forage that will not be fed to milk cows or animals being fed for slaughter in the current year at \$5.00 a gallon.

Malathion will be available, for grasshopper control or pasture or forage to be eaten by milk cows or animals being fed for slaughter at \$10.00 per gallon. One gallon of Malathion, containing 10 pounds of active ingredient, used at the rate of 1/2 pound per acre, will treat 20 acres at a cost of 50¢ an acre, when the grasshoppers are young. As the grasshoppers grow older, this rate will have to be increased.

Tight Squeeze

SOMEWHERE ALONG THE WAY in automotive development the size of trucks exceeded the capacity of streets and alleyways to handle them and above is a good example of this problem. The vans came to town last week to move Don Bossart from the Commerce

Bank to his new post in Calgary. Squeezing the long van between the Legion building and the power pole and angling through the gate into Don's yard is quite a feat but was quickly manoeuvred by the two-man crew.

District News

BLACKIE

Mrs. Frank Powell is a patient in the General Hospital, Calgary.

Mr. and Mrs. Sam Sutor and family are spending a few days holiday at Killam visiting with relatives.

Miss Sandra Brown of Calgary spent the week holidaying at the Mel Clingman home.

Miss Alana McEwan of Calgary was a visitor for a few days at the home of her aunt, Mrs. George Bayford.

Jim Rockefeller and his mother, Mrs. F. Rockefeller have moved to their new home south and west of High River. Jim's grandfather first came to the Blackie home-stand in about 1904 and his father lived here until his death last December so it will seem very strange not to have a Rockefeller in this district. It is hoped that they will be visiting Blackie often.

Mrs. E. Braunwarth is visiting in Olds at the home of her daughter, Mrs. Nellie Hart and family.

The Henry Franks travelled to Seattle to attend the World's Fair.

Mrs. Bernice Edgerton has returned home from the High River Hospital where she was a patient for a few days.

Miss Mary Southgate was a visitor in Calgary with relatives and Miss Collette Southgate was a guest at the home of Miss Dianne Pardee.

The Blackie Chamber of Commerce and Agriculture have succeeded in having the "Blackie" sign on Number 2 highway changed from the two mile north road to what is referred to as the Airport corner.

Rev. C. MacNutt baptized Joseph Allen Sutor, infant son of Mr. and Mrs. Garth Sutor of Edmonton on Easter Sunday.

Surveyors have been in town this week surveying for the laying of sewer lines. This subject is being widely discussed and it is possible that the village will have a sewer system in the near future.

The Cub Pie Fest held on Saturday proved to be a success and it was noted that more pies could have been sold.

BERRYWATER

Mrs. Jim Penman and daughters, Bonnie and Patsy of Regina, Sask. were visitors Thursday at the Ed Richardson home.

Mr. and Mrs. Walter Sinclair and family of Burnaby, BC were Friday guests of the Ed Richardson home.

Calgary visitors on Friday and Saturday were Mr. and Mrs. Joe Gerding and family and Mr. and Mrs. D. B. Smith.

Mr. and Mrs. Les Greaves and family of Calgary were Saturday visitors at the Sharp home and were accompanied back to Calgary by Gregory Miller, who had spent the Easter holiday with John Sharp.

Mr. and Mrs. L. G. Clifford of High River were Sunday visitors at the D. B. Smith home.

Mrs. Cecil Sheepy and family of Calgary spent several days recently at the home of Lloyd Richardson.

Mr. and Mrs. Leonard Jones, Leone and Lloyd were Lethbridge visitors Saturday where they attended the wedding of Gail Jones to Barry Linn.

Jean McIntyre spent the Easter holidays with her parents, Mr. and Mrs. Willis McIntyre at Lomond. Heather Fernley was a guest for a few days of Jean at Lomond.

Barbara Budd spent Easter week with her parents, Mr. and Mrs. N. K. Budd. She returned on Friday to Calgary where she is a pupil at Mount Royal College.

"My wife talks to herself." "So does mine, but she doesn't realize it. She thinks I'm listening."

BRANT

C. W. L. MEETING

The annual meeting of the Brant Council of the Catholic Women's League was held at the home of Mrs. John Von Brunschot with poor attendance. The meeting opened with the recitation of the league prayers, followed by the roll call and correspondence. Mrs. Irene Rhodes read the financial statement.

A strawberry tea, in aid of the Providence Creche was suggested and tabled until next meeting.

Mrs. Flebotte was chairman for elections which followed, results were: President, Mrs. Herb Messerli; first vice-president, Mrs. George Henault; second vice-president, Mrs. Ernest Southgate; third vice-president, Mrs. Pat Gallagher; secretary, Mrs. Louise Gingras; treasurer, Mrs. Charles Rhodes.

Following adjournment the hostesses assisted by Mrs. Gallagher served a dainty lunch.

QUEENSTOWN

Mr. and Mrs. Wray McCallum motored to Calgary on Wednesday and visited their daughter, Joyce, in the Children's Hospital. Joyce although still confined to bed is on the improvement list.

We are also pleased to report that John Stukart is responding to treatment and has a bit of use of his feet.

A small crowd attended the Community dance on Friday evening.

Calgary Service For Jos. Marshall

A well known resident of the Vulcan district for many years, Joseph Bond Marshall passed away in St. Joseph's Hospital in Dawson Creek, BC, April 18, 1962.

The funeral was held on April 23, from McInnis and Holloway's in Calgary, with Canon Starr officiating.

The pallbearers were: W. R. McMullen, Oscar Hellevang, Wm. Fleming, Ray Onstad, R. Brodick and Oswald Watt. Interment was in Queen's Park Cemetery, Calgary.

Attends WSWs Yorkton Meet

Mrs. Albert Sherman, a delegate from the Vulcan WSWs attended the three day 26th Annual Convention for the North West Canada Branch, Women's Society, of World Service held recently at the Salem Evangelical United Brethren Church, Yorkton, Saskatchewan.

Guest speakers for this convention were Miss Mary McLanahan, editor of the World Evangel, the official magazine of the Women's Society of World Service and Miss Gertrude Blonde, RN, missionary from Sierre Leone, West Africa.

Fifty-two officers and delegates were present from Manitoba, Saskatchewan and Alberta.

I am an old man and have known many troubles, but most of them have never happened.

ATTENTION FARMERS

You would not consider driving your car or truck without liability coverage. Why then take the chance of operating your farm machinery on the highway when the risk is just as great, without similar liability protection?

This coverage, when combined with your fire policy on the average farm, would cost approximately 50¢ per month, depending on acreage.

At this price no one can afford to be without this protection.

THAWING WATER MAINS—On the heels of an extended cold spell, three water mains suffered on the Claresholm system. A break to the skating rink posed a problem prior to the presentation of the fancy skating program. A second leak occurred in front of Crown

Lumber and the water pipes to the Carroll Cottages froze. Frost is said to have penetrated more than five feet this winter. Picture shows the jack-hammer standing in the frozen ground in front of the telephone office. Ben Coutts, former town foreman states he re-

members when there were no less than 80 pipes frozen in one winter. The introduction of copper lines and better methods of installation is said to have cut the broken and frozen pipes to a minimum.

Two-day Conference

Thirty-three Scout Leaders, Patrol Leaders and Seconds from Champion, Carmangay, Lomond and Vulcan met April 7 and 8 at

Champion for a Patrol Leaders Course of the Lake McGregor district. The group is pictured above during a schedule which ran from 7:30 a.m. to "lights out" at 10:00 p.m.

Lake McGregor District Patrol Leaders at Champion

A two-day Patrol Leaders' conference held April 7 and 8 at Champion saw a gathering of boys and Scout Leaders from Champion, Carmangay, Vulcan and Rovers from Lomond go over the problems of scouting from the leaders level and discuss ways of making the Scout agenda more attractive to boys ranging up to 17 years of age, especially those in the advanced age group.

On April 7, following a welcome by W. I. Harris, mayor of Champion, and by Jim Ellis, president of Lake McGregor District, and introduction of the leaders present, a program of lectures, games, discussions on patrol leadership and organization filled two days for the boys.

Some of the adults taking part in the work shop were Jim Carlson, Champion; Henry Ens, Floyd

Sande, Kjeld Pedersen from Lomond; Bud Siler, Roger Jensen and Don Versluys from Champion; Doug Johnson, Carmangay and Norman Soder of Vulcan.

The patrol leaders dealt with a questionnaire on this year's Camporee which asked for suggestions of changes in events, and projects and best location for such Camporees.

Another discussion dealt with the

understanding of the Scout Promise and Law and the gap which sometimes exists between what is said in the Promise and what is done in neglect of it.

Another subject discussed was the age groupings in Scouts and why more of the 14 to 17-year-old boys are not taking up scouting, and the difficulties involved in patrols with ages ranging from 11 to 17 years.

Forty-three requirements must be met in the three Grade Badges, Tenderfoot, Second Class and First Class, and the group reviewed the Grades with relation to their status, whether too difficult or not difficult enough to attain.

Another question asked was whether there were too many proficiency badges being offered. Of the more than 100 available the boys were asked to suggest some which might be eliminated or other badges on new subjects which might be offered.

Wild Animals More Numerous

Along with gophers, robins and meadowlarks which came to the Louis Shaw farm west of town this spring was a much less welcome guest. A Bobcat was the cause of some excitement at the farm when seen on the near-by road by Sunday guests of the Shaws. In deference to the chickens, newly born calves and for the safety of young children on the farm a .22 rifle was brought out and the animal was shot.

Some weeks earlier a Silver Fox was seen wandering by the Ross Walker farm heading towards the Commodore Allen farm south of town. Although Bobcats have been encountered here before, this area is not normal stamping grounds for such animals.
